By registering, you agree that all information provided in the Registration Data is true and accurate and that you will maintain and update this information as required in order to keep it current, complete, and accurate.

MEMBERSHIP AND BILLING (if applicable)

You can find the specific details regarding your membership with Symbolab at any time. Simply sign in to your Symbolab account, go to the Membership tab, and click Manage your account.

a. Billing

By starting your Symbolab membership, you are expressly agreeing that we are authorized to charge you the membership fee associated with the type of membership (monthly or yearly) you chose during registration. You agree that we are authorized to charge you the membership fee at the then-current rate to the Payment Method you provided during registration (or to a different Payment Method if you change your account information). Please note that prices and charges are subject to change with notice. As used in these Terms of Service, "billing" shall indicate either a charge or debit, as applicable, against your Payment Method. The membership fee will be billed at the beginning of the paying portion of your membership and each month or year thereafter unless and until you cancel your membership.

In the event your monthly membership began on a day not contained in a given month, we bill your Payment Method on the last day of such month. For example, if you became a paying member on January 31, your Payment Method would next be billed on February 28.

You acknowledge that the amount billed each billing period may vary for reasons that include differing amounts due to changes in your membership plan, and you authorize us to charge your Payment Method for such varying amounts. Payments are nonrefundable and there are no refunds or credits for partially used periods. We may change the fees and charges in effect, or add new fees and charges from time to time, but we will give you advance notice of these changes by e-mail. If you want to use a different Payment Method or if there is a change in Payment Method, such as your credit card validity or expiration date, you may edit your Payment Method information from your Account management page.

b. Ongoing Membership

Your membership will continue in effect unless and until you cancel your membership or we terminate it. You must cancel your membership before it renews each billing period in order to avoid billing of the next membership fee to your Payment Method. We will bill the membership fee at the then-current rate plus any applicable tax to the Payment Method you provide to us during registration (or to a different Payment Method if you change your account information). Membership fees are fully earned upon payment.

c. Cancellation
You may cancel your Symbolab membership at any time, and cancellation will be effective immediately. You will continue to have access to the membership account and program until the current billing period ends. We do not provide refunds or credits for any partially used membership periods. To cancel your membership, click the words "Cancel membership" on your Account management page. Follow the instructions for cancellation under the heading "Cancel Membership."

MEMBER ACCOUNT, PASSWORD AND SECURITY

You will have a password and account designation upon completing the Service's registration process. You are responsible for maintaining the confidentiality of the password and account and are fully responsible for all activities that occur under your password or account. You agree to (a) immediately notify us of any unauthorized use of your password or account or any other breach of security, and (b) ensure that you exit from your account at the end of each session.
